

According to practices preventing *ghostwriting* and *guest* authorship, the Author is asked to determine the contribution of all co-authors in the article. Please send it with the text as a separate file.

The authors' contributions into the publication are as follows:

	contribution
Author 1 (name, affiliation): Ashura Salim, Faculty of Economics, Poznan University of Life Sciences, Poznan, Poland	conceptualization, investigation, data curation, formal analysis, resources, visualization, writing - original draft 25%
Author 2 (name, affiliation): Aleksandra Kowalska, Institute of Economics and Finance, Maria Curie- Skłodowska University, Lublin, Poland	conceptualization, project administration, methodology, investigation, data curation, resources, supervision, writing – original draft, writing – review & editing 50%
Author 3 (name, affiliation) Gregory Emvalomatis, Department of Economics, University of Crete, Rethymno, Greece	conceptualization, methodology, formal analysis, data curation, software, supervision, visualization, writing - original draft, writing - review & editing 25%

According to the Ministry of Science and Higher Education (www.nauka.gov.pl):

- *Ghostwriting* is a situation when someone significantly contributes to writing a paper but is not acknowledged and listed in the references.
- *Guest authorship (honorary authorship)* is a situation when the Author's contribution is low or none and he/she is listed as the Author/Co-Author of a work.

The main responsibility for the provided information is born by the Author submitting the manuscript.

All unveiled cases of academic dishonesty such as ghostwriting and guest authorship, especially when scholarly rules of ethics are broken or breached, will be made public; actions include noticing suitable authorities (institutions employing the authors, scientific associations, academic editorial associations etc.).

Aleksandra Kowalska
