FROM THE EDITORIAL BOARD

This issue of "Culture and Values" consists of two parts. Part one comprises articles which thematically touch upon the notion of crisis, while part two contains two articles concerning German philosophy.

The editors of the quarterly *Culture and Values* express their gratitude to all those who have reviewed the texts published in this issue. We would like to inform you that a personal list of the reviewers will be published in the last (December) issue of the periodical; it will include all those who have reviewed texts in 2015.

We invite all researchers who would like to deal with the problematic of our quarterly – both scholars and PhD students – to cooperate with us. We accept texts in Polish, English and German. The submission guidelines are available by clicking the appropriate bookmark on our website.
